Demand Feature

Your loan ☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details. ☒ does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the principal and interest overdue.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you ☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property. ☐ may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property. ☒ do not have a negative amortization feature.

Partial Payments

Your lender ☐ may accept payments that are less than the full amount due (partial payments) and apply them to your loan. ☐ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan. ☒ does not accept any partial payments. If this loan is sold, your new lender may have a different policy.

In the future, Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

## **PREPAYMENT ADDENDUM TO NOTE (Multi-State)**

This Prepayment Addendum to Note ("Addendum") is made this **Tuesday, August 19, 2025** and is incorporated into and shall be deemed to amend and supplement the Note of the same date (the "Note") given by the undersigned (the "Borrower") to evidence Borrower's indebtedness to **Vista Point Mortgage, LLC dba NextUs Lending, A Delaware Limited Liability Company**

(the "Lender"), which indebtedness is secured by a Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date and covering the property described in the Security Instrument and located at **TBD, Dawson, IA 50066**

(the "Property").

**ADDITIONAL COVENANTS.** Notwithstanding anything to the contrary set forth in the Note or Security Instrument, Borrower and Lender further covenant, and agree, that the provisions of the section of the Note titled **BORROWER'S RIGHT TO PRE-PAY** are amended to read as follows:

Subject to the prepayment charge provided below, I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." A "full prepayment" is the prepayment of the entire unpaid principal due under the Note. A payment of only part of the unpaid principal is known as a "partial prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a prepayment if I have not made all the monthly payments due under the Note.

**If, within the first month(s) beginning with the date I execute the Note (the "Penalty Period"), I make a full prepayment, or partial prepayment in any twelve (12)-month period that exceeds 20% of the original principal loan amount, I will pay a prepayment charge as consideration for the Note Holder's acceptance of such prepayment. The prepayment charge will equal % of the amount prepaid, unless otherwise prohibited by applicable law or regulation. No prepayment charge will be assessed for any prepayment occurring after the Penalty Period.**

Notwithstanding the foregoing, in the event of a full prepayment concurrent with a bona fide sale of the Property to an unrelated third party after the first month(s) of the Note, no prepayment charge will be assessed. In the event of such a bona fide sale, I agree to provide the Note Holder with evidence acceptable to the Note Holder of such sale.

The Note Holder will apply all prepayments to reduce the amount of principal that I owe under the Note. However, the Note Holder may apply my prepayment to the accrued and unpaid interest on the prepayment amount, before applying my prepayment to reduce the principal amount of the Note. If I make a partial prepayment, there will be no change in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes.

If my Note is an Adjustable-Rate Note, partial prepayments may reduce the amount of my monthly payment after the first interest rate Change Date following the partial prepayment. However, any reduction due to my partial prepayment may be offset by an interest rate increase.

The Note Holder's failure to collect a prepayment charge at the time a prepayment is received shall not be deemed a waiver of such charge. Any prepayment charge not collected at the time the prepayment is received shall be payable on demand.

All other provisions of the Note are unchanged by this Addendum and remain in full force and effect.

#### NOTICE TO BORROWER

**Do not sign this Addendum before you read it. This Addendum provides for the payment of a prepayment charge if you wish to repay the loan prior to the date provided for repayment in the Note.**

## **PREPAYMENT RIDER**

(Multi-State)

THIS PREPAYMENT RIDER is made this Tuesday, August 19, 2025 and is incorporated into and shall be deemed to amend and supplement the Security Instrument of the same date given by the undersigned (the "Borrower") to secure Borrower's Note (the "Note") to **Vista Point Mortgage, LLC dba NextUs Lending, A Delaware Limited Liability Company**

(the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

Subject to the prepayment charge provided below, Borrower has the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." A "full prepayment" is the prepayment of the entire unpaid principal due under the Note. A payment of only part of the unpaid principal is known as a "partial prepayment." When Borrower makes a prepayment, Borrower will tell the Note Holder (as defined in the Note) in writing that Borrower is doing so. Borrower may not designate a payment as a prepayment if Borrower has not made all the monthly payments due under the Note.

**If, within the first month(s) beginning with the date I execute the Note (the "Penalty Period"), I make a full prepayment, or partial prepayment in any twelve (12)-month period that exceeds 20% of the original principal loan amount, I will pay a prepayment charge as consideration for the Note Holder's acceptance of such prepayment. The prepayment charge will equal % of the amount prepaid, unless otherwise prohibited by applicable law or regulation. No prepayment charge will be assessed for any prepayment occurring after the Penalty Period.**

Notwithstanding the foregoing, in the event of a full prepayment concurrent with a bona fide sale of the Property to an unrelated third party after the first month(s) of the Note, no prepayment charge will be assessed. In the event of such a bona fide sale, I agree to provide the Note Holder with evidence acceptable to the Note Holder of such sale.

**Initials:** \_\_\_\_\_

The Note Holder will apply all prepayments to reduce the amount of principal that Borrower owes under the Note. However, the Note Holder may apply Borrower's prepayment to the accrued and unpaid interest on the prepayment amount, before applying Borrower's prepayment to reduce the principal amount of the Note. If Borrower makes a partial prepayment, there will be no change in the due dates of Borrower's monthly payments unless the Note Holder agrees in writing to those changes.

If the Note is an Adjustable-Rate Note, partial prepayments may reduce the amount of Borrower's monthly payment after the first interest rate Change Date (as defined in the Note) following the partial prepayment. However, any reduction due to Borrower's partial prepayment may be offset by an interest rate increase.

The Note Holder's failure to collect a prepayment charge at the time a prepayment is received shall not be deemed a waiver of such charge and any such charge calculated in accordance with this section shall be payable on demand.

All other provisions of the Security Instrument are unchanged by this Rider and remain in full force and effect.

# Uniform Residential Loan Application — Unmarried Addendum

## For Borrower Selecting the Unmarried Status

### Lenders Instructions for Using the Unmarried Addendum

The Lender may use the Unmarried Addendum only when a Borrower selected “Unmarried” in Section 1 and the information collected is necessary to determine how State property laws directly or indirectly affecting creditworthiness apply, including ensuring clear title.

For example, the Lender may use the Unmarried Addendum when the Borrower resides in a State that recognizes civil unions, domestic partnerships, or registered reciprocal beneficiary relationships or when the property is located in such a State. “State” means any state, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

**If you selected “Unmarried” in Section 1**, is there a person who is not your legal spouse but who currently has real property rights similar to those of a legal spouse? ☐ NO ☐ YES

**If YES, indicate the type of relationship and the State in which the relationship was formed.** For example, indicate if you are in a civil union, domestic partnership, registered reciprocal beneficiary relationship, or other relationship recognized by the State in which you currently reside or where the property is located.

# IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

Borrower(s): **Alice Firstimer**

Date: **August 19, 2025**

Loan Number: **1110000085**

Property Address: **TBD**  
**Dawson, IA 50066**

Lender/Broker: **Vista Point Mortgage, LLC**

Loan Originator: **John Done**

License #: **2021-0023**

NMLS #: **1826528**

NMLS #: **123456789012**

This disclosure contains important information about our Home Equity Line of Credit. **You should read it carefully and keep a copy for your records.**

**Availability of Terms:** The terms described below are subject to change at any time. If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you have paid to us or anyone else in connection with your application.

**Security Interest:** We will take a mortgage, deed of trust or other security interest on your home. You could lose your home if you do not meet the obligations in your agreement with us.

**Possible Actions:** We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees if:

- You do not make a payment within 10 days of the required payment due date.
- The prospect of payment, performance, or realization of our rights in the collateral is significantly impaired by your action or inaction (including, for example, if you engage in fraud or material misrepresentation in connection with the line at any time).
- You fail to observe any other covenant in the agreement, and thereby (i) materially impair the condition, value, or protection of, or our rights in the collateral, or (ii) materially impair your prospect of paying amounts due (including, for example, if you engage in fraud or material misrepresentation in connection with the line at any time).

We can refuse to make additional extensions of credit or reduce your credit limit if:

- The value of the dwelling securing the line declines significantly below its appraised value for purposes of the line.
- We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
- You are in default of a material obligation in the agreement.
- Government action prevents us from imposing the annual percentage rate provided for or impairs our security interest such that the value of the security interest is less than 120 percent of the credit line.
- A regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice.
- The maximum annual percentage rate is reached.

The initial agreement permits us to make certain changes to the terms of the agreement at specified times or upon the occurrence of specified events.

**Minimum Payment Requirements:** You can obtain advances of credit for months (the "Draw Period"). Payments will be due monthly during the Draw Period, and will be determined as described below:

**Monthly Payments of Interest and Fees:** The amount of finance charge accrued on outstanding advances each month, plus any fees and any amounts past due. This minimum payment will not reduce the principal that is outstanding on your credit line.

After the Draw Period ends, you will no longer be able to obtain credit advances and must pay the outstanding balance in a **single balloon payment**.

**Minimum Payment Example:** If you made only the minimum monthly payments and took no other credit advances, it would take **0** months to pay off a credit advance of \$10,000 at an **ANNUAL PERCENTAGE RATE** of **0.000%**. During that period, you would make **-1** monthly payments of **\$0.00** and a final balloon payment of **\$0.00**.

**Fees and Charges:** You must pay the following fees to open and maintain your line of credit:

Closing Fees to Us. You must pay the following to us to open your line of credit:

| <b>FEES</b>                 | <b>Amount</b>                                  |
|-----------------------------|------------------------------------------------|
| <b>Loan Origination Fee</b> | <b>\$1,795.00</b>                              |
| <b>Interim Interest</b>     | <b>\$170.16 (Collected with First Payment)</b> |
| <b>Total:</b>               | <b>\$1,795.00</b>                              |

Estimation of Third Party Closing Fees. The following is a good faith estimation of the fees you will have to pay at closing to third parties to open your line of credit:

| <b>FEES</b>                       | <b>Amount</b>     |
|-----------------------------------|-------------------|
| <b>Tax Servicing Fee</b>          | <b>\$80.00</b>    |
| <b>Flood Certification</b>        | <b>\$14.00</b>    |
| <b>Appraisal Reinspection Fee</b> | <b>\$200.00</b>   |
| <b>Mortgage Insurance Premium</b> | <b>\$2,493.00</b> |
| <b>Total:</b>                     | <b>\$2,787.00</b> |

Fees to Use Your Account. You must pay us the following fees to use your account:

**N/A**

Property Insurance. In addition to the fees and charges described above in this section, you must carry insurance (hazard and flood insurance, as applicable) on the property that secures the line of credit. **You may obtain all required property insurance from and through anyone you choose that is reasonably acceptable to us.** (You may not obtain required property insurance from or through us.)

**Tax Deductibility:** You should consult a tax advisor regarding the deductibility of interest and charges for the line.

**Other Products:** If you ask, we will provide you with information on our other available home equity lines.

**Variable-Rate Feature:** The line has a variable rate feature, and the annual percentage rate (corresponding to the periodic rate) and the minimum payment can change as a result of this feature.

The annual percentage rate includes only interest and not other costs.

The variable annual percentage rate will be based on the value of an index. The index is the most recently published in the "Money Rates" table in *The Wall Street Journal*. (If more than one index value is published we will use the highest published index value.)

To determine the annual percentage rate that will apply to your line, we add a margin to the value of the index.

Ask us for the current index value, margin and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we will send you.

. Except for this lifetime rate cap, there is no limit on the amount by which the variable interest rate can increase during any one year period. The minimum **ANNUAL PERCENTAGE RATE** that can apply under the variable-rate feature is **1.000%**.

**Maximum Rate and Payment Example:** If you had an outstanding balance of \$10,000 during the draw period, the minimum monthly payment during the draw period at the maximum **ANNUAL PERCENTAGE RATE** of **0.000%** (this maximum rate is percentage points above the most recent index plus margin shown in the Historical Example below) would be **\$0.00**. This annual percentage rate could be reached during the **61st** month following the date your line of credit is opened.

**Historical Example:** The following table shows how the annual percentage rate and the minimum monthly payments for a single \$10,000 credit advance would have changed based on changes in the index over the past 15 years. The index values are from of each year. While only one payment amount per year is shown, payments could have varied during each year of the draw period. The table assumes that no additional credit advances were taken, that only the minimum payments were made each month, and that the rate remained constant during each year. The table does not necessarily indicate how the index or your payments will change in the future. A balloon payment of **\$0.00** would be due at the end of the draw period.

|  | Year | Index | Margin* | ANNUAL<br>PERCENTAGE RATE | Minimum<br>Monthly<br>Payment |
|--|------|-------|---------|---------------------------|-------------------------------|
|--|------|-------|---------|---------------------------|-------------------------------|

\* This is a margin we have used recently; your margin may be different.

\*\* This rate reflects the lifetime rate cap.

\*\*\* This rate reflects the lifetime rate floor.

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Administrator of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community:

This area has a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Administrator of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

☐ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- At a minimum, flood insurance purchased must cover the lesser of:
  - (1) the outstanding principal balance of the loan; or
  - (2) the maximum amount of coverage allowed for the type of property under the NFIP.Flood insurance coverage under the NFIP is limited to the building or mobile home and any personal property that secures your loan and not the land itself.
- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.
- Although you may not be required to maintain flood insurance on all structures, you may still wish to do so, and your mortgage lender may still require you to do so to protect the collateral securing the mortgage. If you choose not to maintain flood insurance on a structure and it floods, you are responsible for all flood losses relating to that structure.

## Availability of Private Flood Insurance Coverage

Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance that provides

the same level of coverage as a standard flood insurance policy under the NFIP may be available from private insurers that do not participate in the NFIP. You should compare the flood insurance coverage, deductibles, exclusions, conditions, and premiums associated with flood insurance policies issued on behalf of the NFIP and policies issued on behalf of private insurance companies and contact an insurance agent as to the availability, cost, and comparisons of flood insurance coverage.

**Escrow Requirement for Residential Loans**

Federal law may require a lender or its servicer to escrow all premiums and fees for flood insurance that covers any residential building or mobile home securing a loan that is located in an area with special flood hazards. If your lender notifies you that an escrow account is required for your loan, then you must pay your flood insurance premiums and fees to the lender or its servicer with the same frequency as you make loan payments for the duration of your loan. These premiums and fees will be deposited in the escrow account, which will be used to pay the flood insurance provider.

☐ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

**Acknowledgement by Borrower**

Borrower(s) agrees to furnish, at Borrower's expense, a flood insurance policy satisfying Lender's requirements before closing of the above referenced loan and maintain same thereafter.

Delivery of these notices is hereby acknowledged.
